

**Military Surface Deployment and Distribution
Customer/Carrier Advisory
January 18, 2013
CA-13-01/18-0012**

Subject: Defense Table of Official Distances (DTOD)

Purpose: To inform Shipping Community and Industry of the upgrade Software Change Package (SCP) to Defense Table Official Distances.

Be Advised: Effective 21 Feb 2013, Integrated Booking System (IBS) will be upgraded to DTOD Version 26.1. Carriers that move cargo using IBS should be aware of the change and upgrade to version 26.1. Keep in mind if you have not upgraded by 21 Feb 2013 DTOD will no longer work.
